

Minutes Raytown Building & Grounds Committee meeting 1-12-2026
Call to order 6:00 PM

Attendance: Brian Morris, Dave Thurman, Jules Sneddon

Staff: Dave Turner, Tony Mesa

Approval of minutes from 2-19-2024 1st Brian, 2nd Jules, passed

New Business- Discussion on new playground installation at Kritser Park with \$90,000 budgeted.

Several options were provided by Dave Turner from three different local companies. Little Tykes, Miracle, and Athco. All are somewhat local providers and would be purchased through cooperative agreements.

None of the current examples fit all criteria. The committee came to the conclusion that the Park Board expects:

1. Removal of existing playground structure
2. ADA compliant surface, preferably astroturf with concrete curb
3. An attractive playground with a wide age range that is ADA compliant.

The Committee directed staff to get more examples from Miricale, and Athco, that would complete this work within the current budget.

Adjourn, 6:44 PM
